OUR MISSION

The Haddonfield Friends of the Library is a group of passionate, like-minded volunteers who give their time, energy and talent to sustain a strong and vibrant public library in our town.

Our mission is to enhance our Library by raising funds for critical programs and services, to underwrite educational and cultural events, and to advocate for a first-class facility in Haddonfield.

Through memberships and fundraising we provide funds that contribute to the excellence of library services.

Since 2007, the Friends have provided more than \$80,000 in support to the Library. The Friends led the successful new teen room from concept to inception, installed new outdoor reading benches and chess tables, purchased new books and AV materials, and furnished new reading room chairs.
